

International Migrants Day

Wednesday, 16 December 2009

Last Updated Wednesday, 16 December 2009

Making the Links presents a program in recognition of the UN International Migrants Day, Dec. 18th. Done in partnership with the Human Rights Directorate, Canadian Labour Congress, it looks at the situation for Migrant Workers in Canada, and the role of the Canadian Government. It is part of series of radio programs being broadcast throughout the world about the plight and fight for rights of Migrant Workers.
